RESUBMISSION OF LISTING OF CLAIMS

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

Responsive to the Notice of Non-Compliant Amendment mailed February 12, 2004 in the patent application identified above, the undersigned here resubmits the listing of claims from the Third Response. That response was originally mailed to the Office on July 28, 2003 and was received by the Office on January 30, 2003.

The revised listing of claims conforms with current status identifiers. In particular, those claims formerly identified as "Previously Amended" are herein identified as --Previously presented--. These claims thus are believed to comply with the current Office requirements relating to form.

The above-identified Notice of Non-compliant Amendment also asserts that all corrected drawings must have the words "Annotated Sheet" or "Replacement Sheet" in the margin of the replacement sheet. This comment presumably is directed to the drawing submitted with the Third Response and showing a cross-section of the tape

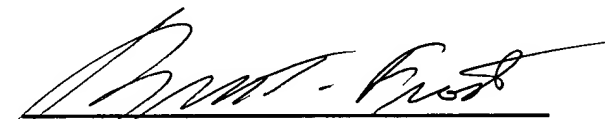

disclosed in *Mamish*. However, that drawing was not submitted as a corrected drawing or replacement sheet. Instead the drawing was submitted only to illustrate the contrast between the present invention and the tape thus described by *Mamish*. Please see page 5 of the Remarks in the Third Response. Accordingly, the undersigned submits that identifying that drawing with the requested marginal notation would be incorrect.

The forgoing is submitted as a complete response to the before mentioned Notice of Non-Compliant Amendment. The undersigned respectfully requests the Office to reconsider the present application in view of this submission and the Third Response.

Respectfully submitted,

MERCHANT & GOULD
